

Leadership Development Program

The LDP relies upon its business investors to continue developing the next generation of America's future technical leaders. This is your opportunity to

INVEST – in developing America's next leaders

RECRUIT – your company's future leadership

EXCITE – engineering students about your company

HOST – a visit to showcase your business

VISIT – the LDP in action

Investor Level	FRIEND \$5000	SPONSOR \$10,000	PARTNER \$15,000+
Supports	(1-Students)	(2 Students)	(3 students)

On-site event		✓	✓
Social event			✓

Event Descriptions	
Dinner event before career fair (mid-October)	Dinner networking event to get to know the students on an individual basis that will allow you to assess their potential for an internship and present the benefits of working for your company
Company presentation (throughout school year)	Opportunity to come to SIUC and give an extended presentation on your company and its career opportunities.
On-site event (throughout school year)	Designed to give a company the maximum opportunity to highlight its great company culture and attractive career opportunities.
Sports or special social event (TBD)	Football tailgate or dinner that provides a relaxed social environment where partners get to convey their company's values and career opportunities, while courting the students

LDP Responsibilities

Prepare students who:

- Are work-ready
- Can communicate effectively
- Possess strong character and integrity
- Can lead themselves
- Can lead projects
- Can deliver persuasive presentations
- Can quickly form social relationships
- Possess dining etiquette

Company Responsibilities

Each year companies will:

- Attend Fall LDP Board meeting (Generally the 3rd Saturday in Sept.)
- Sponsor a plant tour
- Provide a guest speaker
- Attend the LDP Year-in Review (generally the 3rd Monday in April)
- Provide at least one internship per year
- Provide one 5-S project every 4 years
